### ASSIGNMENT:

In this Language Assignment you will learn how to use the right future forms in an article about science fiction. You will practice using the appropriate future forms for intentions, predictions, planned events and events that will happen within a certain period of time.

At the end of this assignment you will be able to use the right future forms.

**Step 1: revise the future tense, using my notes and exercises and Section 10.2 of your Student's Book.**

**Step 2: do items 1 - 4 of Writing Folder 5 on pp. 70 - 71.**

**Step 3: check your answers, using the answer key on p. 202 of your Student's Book.**

**Step 4: draft your article about the two questions: 'What forms of transport will we be using in 50 years' time' and 'Where will we take our holidays?', following the suggestions in items 5 - 7 of your book.**
